**2012 TC**

## **Arthritis? Back Pain? Tension? Poor Circulation? Sore Muscles? Sleep Apnea? Stress?**

Daily Massage is important for multiple health reasons:

It oxygenates your body, increases circulation, detoxifies and decreases stress.

### **Massage Chair Commercial 2012 TC - Functions and Features**

- This brand new, and new to the market, massage chair features 14 high powered commercial 2012 TC thermo motors designed to last for many years.
- The Shiatsu massager brings you true relaxation from your head to your toes. The ergonomic chair back design and humanized built-in programs performs hand touch rolling, tapping, waving and kneading functions.
- Come lay down in your choice of multiple positions and enjoy the amiable massage to escape that stressful world
- Zero gravity reclining position to take the pressure off your spine and improve circulation
- Two reclining motors allow footrest to recline and operate independently
- Airbag massage for seat (buttocks and calves)
- Double-function leg massager:
  - Kneading and rolling for calves and feet
  - Reflexology with footrest flipped down
- Sleep timer to awaken you with a nice massage
- Magnets to provide magnetic therapy
- Heating options for seat
- 6 intensities, 6 speeds and unlimited roller with adjustments
- Genuine leather, available in black and dark brown
- 3-year warranty, 6-year available for additional cost
- The world's most advanced state-of-the-art massage chair
- Features include stretching of the vertebra
