MGSHC Features

- ✪ This brand new to the market Megagenie Super Heavy Commercial (MGSHC) massage chair features ten high powered COMMERCIAL thermomotors designed to last for many years
- ✪ The Shiatsu massager brings you true relaxation from your head to your toes. The ergonomic chair back design and humanized built-in programs performs hand touch rolling, tapping and kneading functions.
- ✪ Come lay down in your choice of multiple positions and enjoy the amiable massage to escape that stressful world
- ✪ Zero-gravity reclining for improved circulation
- ✪ Two reclining motors allow footrest to recline and operate independently
- ✪ Double-function leg massager w/5 speeds:
 - Kneading for calves or feet with footrest flipped up
 - Reflexology with footrest flipped down
- ✪ Sleep timer to awaken you with a nice massage
- ✪ Magnets to provide magnetic therapy
- ✪ Three levels of heat options
- ✪ 12 intensities, 12 speeds and unlimited roller width adjustments
- ✪ Genuine leather, available in five beautiful colors
- ✪ The world's most advanced lower back pain relief position available

Arthritis? Back Pain? Tension? Circulation? Sore Muscles? Sleep Apnea? Hiatal Hernia?
Daily Massage is important for multiple health reasons: oxygenates your body, increases circulation, detoxifies, and decreases stress
